Dear Roy

Just a short note to tell you what a great job you did for our Association at our Annual Conference and Trade Show held in Niagara Falls in December 2004. The feedback from our members was excellent with many very positive comments. The research that you did on the newly opened Bass Pro Shop just north of Toronto, made your presentation very relevant for a great many of our members.

I would be pleased to recommend your presentation to any prospective clients.

Yours truly

Al Donaldson  
Executive Director  
Ontario Marine Operators Association
