Roy Prevost

Dear Roy,

The Sussex Downtown Business Association would like to thank you for your Seminar on "Surviving & Prospering in a Big Box Retail World" in Sussex on April 6th, 2006. All positive feedback from our members. Some of the comments I have heard since the seminar are:

"Thank you, I went thinking I might learn something, but I didn't realize how much"

"Just what we needed"

"It's amazing how he hit the nail on the head"

"Our head office is bringing him back"

"We need a shake up every once in a while"

"Good information we forget to practice sometimes"

So thanks again Roy, keep up the good work!

Sincerely,

Karen Black
